QCommission enables you to quickly calculate commission, draw and bonuses, verify results and distribute this information to your account executives, recruiters, consultants and managers. Present the commission information in such a way that your staff clearly understands what they are being paid and why they are being paid at a very detailed level. Excel and manual calculations can introduce a lot of errors into your calculations and cause your staff to lose trust in you. QCommission can help avoid that by calculating all commissions systematically and reliably.

Calculate Accurately with Flexible Rules

QCommission provides a lot of flexibility to set up commission plans that are unique to your company and your payees.
